**INTELIQUENT ANNOUNCES APPOINTMENT OF NEW BOARD MEMBER,
REED HUNDT**

Former Chairman of the Federal Communications Commission Joins Inteliquent's Board

Chicago, IL – June 1, 2017 – Inteliquent, Inc., a premier network-based communications enabler focused on delivering high quality, reliable voice and messaging services, announced today the appointment of Reed Hundt to the Company's Board of Directors.

"We're extremely pleased to welcome Reed Hundt to the Inteliquent Board of Directors," said Fritz Hendricks, CEO of Inteliquent. "Mr. Hundt brings a wealth of experience, leadership, and industry insight to our Board and further strengthens the company's reputation as a leading communication enablement platform. We are looking forward to Reed Hundt's contributions to Inteliquent."

"I am honored to join the Inteliquent Board of Directors and work with their exceptional management team," said Reed Hundt. "Inteliquent has been a leader in the communications enablement sector for years, and I look forward to sharing my ideas and experiences while contributing to the future direction and growth of this market leader."

Mr. Hundt is a Principal of REH Advisors LLC, a strategic advice firm in Washington, D.C. and the Founder and CEO of the Coalition for Green Capital, a non-profit focused on promoting the transition to clean energy through innovative banking and financing solutions. Mr. Hundt served four years as Chairman of the U.S. Federal Communications Commission (FCC) from 1993 to 1997, where he was instrumental in the implementation of the Telecommunications Act of 1996, and was a member of President Obama's transition team from 2008 to 2009. Today, Mr. Hundt serves on the boards of a number of leading technology companies, including Intel Corporation (Nasdaq: INTC), a leading manufacturer of semiconductor chips, and Smart Sky Networks, a communications network firm.

About Inteliquent

Inteliquent is a premier network-based communications enabler focused on delivering high quality, reliable and robust voice and messaging services. The foundation of our services is our network, which is trusted by the nation's largest wireline, wireless, cable, long distance and cloud communication service providers. Every month the Inteliquent network carries over 25 billion voice minutes and text messages, serving over 190 markets and reaching over 7,400 rate centers across the U.S. We are committed to enabling customers with the capabilities they need to deliver communications solutions across various applications in a continuously changing environment.
